4. Use of the Services

Posting Adverts

Members are able to post Adverts on the Platform by outlining the information relevant to the Journey you intend to make, subject to the fulfilment of the below conditions. You are solely responsible for the content of your Advert posted on the Platform. You warrant that you are responsible for the accuracy and truthfulness included in your Advert and you undertake (weather permitting) that you will fulfil the Journey in accordance with the conditions described in your Advert.

When posting your Advert, you can indicate the places in which you agree to stop, to pick up or drop off Passengers. The sections of the Journey between these milestone towns and the collection point or destination of the Journey constitute Legs. For example, if you were to travel from Gorey to St Aubin, but stopped en route in St Helier, Gorey to St Helier would constitute a leg, and St Helier to St Aubin would constitute a second leg.

As a Driver, you are only authorised to post an Advert if you fulfil all the following conditions:

you hold a valid driving licence or equivalent;

you only offer Adverts for vehicles which you own or use with the express permission of the owner, and in all cases that you are authorised and insured to use the vehicle for the purposes of carpooling;

you are and remain the main driver of the vehicle subject of the Advert;

the vehicle has valid third party insurance;

you have no contraindication or medical incapacity for driving;

the vehicle you intend to use for the Journey is a touring car or van with 4 wheels and a maximum of 7 seats;

you do not intend on posting another advert for the same Journey on the Platform, however, you may post regular journeys such as travelling to work Monday to Friday);

you do not offer more Seats than the number available for Passengers in your vehicle;

all Seats offered to Passengers have a seatbelt, even if the vehicle is approved with seats having no seatbelt; and

you will use a vehicle in good working order and which complies with the applicable legal provisions.

Subject to your Advert complying with the T&Cs, it will be posted on the Platform and will become visible to Members and non-members.

Triskel Ride will have the right, but not the obligation at its sole discretion to review, edit, limit, refuse or remove any Advert or content without notice should the Advert, according to us, violate these T&Cs.

The criteria used in order to determine the order of the display of your Advert amongst the other Adverts on the Platform are at the sole discretion of Triskel Ride.

Journey

Triskel Ride has set up a system for booking Seats online (Booking) for some Journeys offered on the Platform.

Eligibility of a Journey for the Booking system remains at the sole discretion of Triskel Ride and we reserve the right to make any changes to the T&Cs at any time and without prior notice.

When a Passenger is interested in an Advert, he may make an online Booking request. This Booking request is accepted manually by the Driver. At the time of the Booking, the Passenger makes online payment of the Cost Contribution and the related Service Fees, where applicable. After receipt of the payment by Triskel Ride and validation of the Booking request by the Driver, where applicable, the Passenger receives a Booking Confirmation (the Booking Confirmation).

As a Driver choosing manually to handle Booking requests after posting your Advert, you will be required to respond to such a Booking request within 6 hours after the Passenger sends the Booking request. The Booking request will automatically expire and the Passenger will be refunded all sums paid should the Driver manually handling Booking requests fail to respond within the specified timeframe.

At the time of the Booking Confirmation, Triskel Ride will send you the telephone number of the Driver (if you are the Passenger) or of the Passenger (if you are the Driver). You are then solely responsible for executing the contract binding you to the other Member. Triskel Ride is not party to such agreements and will not be responsible for performing the obligations of any such agreements. For more information on the use of your data please see our privacy policy [insert link to privacy policy].

The Platform is intended for the booking of Seats for individuals. It is forbidden to book a Seat for transporting any object, package, animal travelling alone or material items whatsoever.

Members are able to book one or more Seats on behalf of a third party. In this case, you undertake to accurately indicate to the Driver, at the time of the Booking, the forenames, age and telephone number of the person on whose behalf you are reserving a Seat. In the case where you are reserving a seat for a minor under the age of 18, the parent or legal guardian must accompany that minor on the Journey and must have booked one of the seats on that same Journey. It is the responsibility of the parent or the legal guardian of the minor to provide the necessary equipment for the transportation of any minor. If

that equipment is not provided the Driver reserves the right to refuse the Journey to the minor and their parent or legal guardian.

Operation

As a Passenger you are encouraged to leave a review about a Driver with whom you have shared a Journey, or with whom you were scheduled to share a Journey. You are not permitted, as a Passenger, to leave a review about another Passenger with whom you have recently shared a Journey.

As a Driver you are encouraged to leave a review about a Passenger with whom you have shared a Journey, or with whom you were scheduled to share a Journey.

Your review, and the review left by another Member about you, if any, are only visible and published on the Platform after the shorter of the following periods: (i) immediately after you have both left a review, or (ii) after a period of 14 days following the first review.

You have the option of responding to a review that another Member has left on your profile within 14-days following the date of the review received. The review and your response, where applicable, will be published on your profile.

Moderation

You recognise and accept that Triskel Ride reserves the right not to publish or to remove any review, question, comment or response if it in its absolute discretion deems its content breaches these your participation in the activated set out in these T&Cs.

Limit

Where you have received a minimum of three reviews and the average review received is less than or equal to three, Triskel Ride reserves the right to suspend your Account, limit your access to the Services, or terminate these T&Cs.

Financial conditions

Access to and registration on the Platform, as well as searching, viewing and posting Adverts, are free of charge. However, the Booking is charged under the conditions described below.

Cost Contribution

The Cost Contribution is determined by Triskel Ride. You warrant that you will not make a profit in any way and agree to limit the Cost Contribution to the costs incurred in making the Journey. Making a profit as a result of cost contribution is strictly prohibited. The Cost Contribution per passenger will be calculated as follows:

the Cost Contribution ÷ the number of seats in the vehicle

e.g. if the Driver offers a Journey of 10 miles and has 4 seats (the Driver's seat counts as 1 seat) in his vehicle then the Cost Contribution = £6.00 (60p per mile) ÷ 4 seats = £1.50.

Triskel Ride is not responsible for any matters relating to the Cost Contribution.

When you post an Advert, Triskel Ride will offer a suggested amount for the Cost Contribution, taking account of the nature of the Journey and the distance travelled.

Service Fees

In the context of Journeys, Triskel Ride, in exchange for use of the Platform, at the time of Booking, shall collect service fees (hereinafter referred to as the Service Fees) calculated on the basis of the Cost Contribution

The Service Fees are collected by Triskel Ride for each Seat subject of a Booking by a Guest.

In the case of cross-border journeys, please note that the methods of calculation of the amount of the Service Fees and the applicable VAT or GST vary according to the residence of the Passenger.

Rounding

You recognise and accept that Triskel Ride may, at its full discretion, round up or down to the nearest pound the Service Fees and the Cost Contribution.

Charity Driver Contribution

Where a Driver chooses to turn on the option “Give your Cost Contribution to a local eco-friendly charity” all or a specified percentage of the Cost Contribution becomes a Charity Driver Contribution. Triskel Ride will then distribute the Charity Driver Contribution in its sole discretion to its chosen eco-friendly Jersey charity.

5.Points to be Collected

5.1Level Points and Discretionary Voucher Scheme

A Driver or Passenger will be eligible to collect Level Points which shall be calculated in accordance to the type of vehicle they drive and the Level Point Rules. The Level Points collected will be displayed on the control panel of the website or app as appropriate.

A Driver or a Passenger will start on Level One with 0 points and progress to Level Two once they have reached the minimum points for that level, which will be indicated on the control panel.

The following type of vehicle shall receive the points stated below per Member in the vehicle

Type of Vehicle :	Number of Level Points
Electric	4
Up to 1.2 litre engine inclusive	3
Above 1.2 and below 2 litre engine	2
High Emission (an engine 2 litres or above)	1

The number of Level Points received per Driver and Passenger will be calculated on the basis of the number of persons in the vehicle x the number of level points available for that type of vehicle. For example, if there are a five people in a Land Rover vehicle (a High Emission Vehicle earning 1 Level Point) each will receive $5 \times 1 = 5$ Level Points.

When a Driver or Passenger collects enough points to clear a level (starting at level 2), and collects the most points out of the people who cleared that level during that month, they become eligible to receive one voucher redeemable against a gift from one of our partners. Such voucher will be emailed to the Driver or Passenger at the sole discretion of Triskel Ride.

This scheme is at the sole discretion of Triskel Ride and any voucher issued in respect of this scheme is valid for 6 months from the date of issue.

The vouchers are issued subject to availability. There is no cash alternative for the voucher. The voucher is not negotiable or transferable.

Insofar as is permitted by law, Triskel Ride will not in any circumstances be responsible or liable to compensate the winner or accept any liability for any loss, damage, personal injury or death occurring as a result of taking up the voucher save to the extent that it cannot be excluded or limited by law.

5.2 Eco Points

Each Member can choose to support one or more Eco Project by selecting that option on the Platform. For each Journey a Member takes, they will receive one Eco Point and each Eco Point equals one pence (0.01p). The Eco Points can then be donated to the Eco Project that the Member chooses from the selection available on the App. The Member can choose how many Eco Points they wish to donate to the Eco Project but they must have a minimum of 500 Eco Points before any donation can be made. No Member with less than 500 Eco Points available can donate to an Eco Project. Payments to the Eco Project will be administered by Triskel Ride at its sole discretion.

6. Methods of payment and repayment of the Cost Contribution to the Driver

Collection mandate

In using the Platform as Driver for Journeys, you confer on Triskel Ride a collection mandate for the Cost Contribution in your name and on your behalf.

Triskel Ride will use Paypal to handle all payments.

The Cost Contributions received by Triskel Ride are deposited in an account dedicated to payment of the Drivers. Any Charity Driver Contributions in this account are then distributed to the Charity at regular intervals determined by Triskel Ride.

You recognise and accept that none of the sums received by Triskel Ride in the name and on behalf of the Driver gives entitlement to interest. You agree to respond diligently to any request of Triskel Ride, and more generally of any administrative or court authority competent particularly in the prevention or combating of money laundering. Notably, you agree to provide, on simple request, any useful evidence of address and/or identity.

In the absence of response to these requests, Triskel Ride may take any measure it deems appropriate or necessary, which includes but is not limited to the freezing of the sums paid, suspension of your Account or termination of these T&Cs.

Payment of the Cost Contribution to the Driver

After the Journey, the Passenger shall have a period of 24 hours after the end of the Journey to submit a claim on the Journey to Triskel Ride. In the absence of claim of the Passenger within this period, Triskel Ride shall consider the Journey confirmed.

As a Driver, you shall have a credit payable on your Account from the time of this express or tacit confirmation. This credit corresponds to the total amount paid by the Passenger at the time of confirmation of the Booking reduced by the Service Fees, i.e. the Cost Contribution paid by the Passenger.

When the Journey is confirmed by the Passenger, you have the option, as a Driver, of giving instructions to Triskel Ride to pay the money to your PayPal account (by entering your PayPal email address in advance in your Account).

The payment order in your name will be sent on either the 15th or 28th day of the month (providing Triskel Ride has your bank information).
